National Classification of Administrative Units

Edition date: 04-12-2012

Type : Report

Langue : Arabic French

Periodicité : Others

Fomat : 14x22 cm

ISSN : 1737-7838

Prix de livre : 12 TND

This document presents the national classification of administrative units in Tunisia (geographic code) according to the zoning in force as of December 31st, 2012. The geographic code represents one of the coordination tools at the national level as is the case of Tunisian Nomenclature of Activities (NAT) and the Tunisian Classification of goods (CTP).

Themes : Miscellaneous
